Title: Postdoctoral Fellows – Open Pool

Employment Type: Administrative Professional

College: Natural Sciences Department: Mathematics

Salary: Salary is commensurate with level of training and research experience.

Requirements: The Department of Mathematics seeks applications throughout the year from individuals who are interested in obtaining postdoctoral research experience in the area of mathematics. These positions have the responsibility to conduct a program of research under the direction of a faculty member in the Department of Mathematics. A teaching load of one course per semester is expected. Applicants must hold a Ph.D. degree in an appropriate discipline.

Applicants should identify a faculty member of interest for collaboration. A detailed description of the department and information on specific faculty research programs are available on the department web site at: http://www.math.colostate.edu/.

A detailed description of the department’s teaching program is available on the department web page at: http://www.math.colostate.edu/programs/undergraduate/

Application Deadline: 05-31-2015

To Apply: Interested applicants should electronically submit a cover letter stating interest in postdoctoral employment, a current resume/curriculum vita, a statement of research experience, and the names and contact information for two references to http://cns.natsci.colostate.edu/employment/open pool/Math/.

The pool is valid through May 31, 2015, at which time all applicants wishing to remain in the pool must reapply.
