Examples might include geometric problems, loops, periodic dynamics, curvature or even surprising conceptual connections. Each day will include two in depth topical lectures and activities. Lunch will be provided Monday-Thursday. Parents are invited to attend a slide show and closing events at 11:30AM on Friday. Math Circles will end at noon on Friday.

Registration: Limited to first 25 girls and 25 boys registered by June 12th. Applications from students not in the target grades may be considered on a space available basis. For more information contact Rachel Neville (neville@math.colostate.edu). The registration fee is $50 per student. Snacks, lunches, and T-shirts will be provided.
