

Science Undergraduate Laboratory Internship (SULI) at Oak Ridge National Laboratory (ORNL)!

2016 Summer Internship Information – Apply now!!

ORNL is the largest science and energy laboratory in the Department of Energy system. Areas of research include materials, neutron sciences, energy, high-performance computing, systems biology and national security. Visit <http://www.youtube.com/watch?v=NSCdUJ8cavw> to discover some exciting reasons why ORNL offers a great internship experience!

Benefits:

- 10 weeks (June 6– August 12) engaged in a research project under the direction of a laboratory scientist/engineer
- Career development workshops/lab tours
- \$500 per week stipend and limited travel reimbursement/housing allowance (for those who qualify)

To be eligible, you must:

Be currently enrolled full-time at an accredited U.S. institution **AND** have completed at least one year as an undergraduate (at the time of application)*

•Be at least 18 years of age

Be a U.S. Citizen or Legal Permanent Resident

•Have a minimum GPA of 3.0

** Recent bachelor's graduates are also eligible to apply, however the degree must have been awarded less than one year from the SULI term start date. Additionally, applicants must have not yet begun a graduate program of study to be eligible. The internship requires a full-time (at least 40 hours per week) commitment onsite at ORNL in Oak Ridge, Tennessee. Some students find it reasonable to take online or evening classes during the course of the internship. Undergraduate credits obtained in high school cannot be applied to meet the minimum one-year completion requirement.*

Application deadline: January 8, 2016 5:00 p.m. ET
