Spring 2019 Important Dates

All PACe students are responsible for completing the required coursework on time. Use this table to determine the due dates for your coursework. Follow the column that represents how many PACe courses you are registered for this semester. The due dates for students enrolled in only one or two PACe courses are determined by which course the student is completing first this semester.

† Points are not earned until the exam is passed. There are a total of 12 points possible from the Review Exams, 40 from the Unit Exams, and 20 from the Final Exam.

---

*Review Exam*

- If passed by midnight (MST) on the due date listed you will receive 3 points toward your final grade.
- If you do not pass a Review Exam by its due date, you will receive zero points for the Review Exam but will still need to pass it to move on with the course material.

*Unit Exam*

- There are no due dates for the Unit Exams. However, you must pass the Unit Exam in the PACe Testing Center before you are able to take the Review Exam for the next unit.
- You may retest on Unit Exams to improve your score until the Final Exam due date for that course.

---

**Final Exam**

- Must be passed before the PACe Testing Center closes on the due date listed.
- If you are eligible to take the Final Exam by the due date listed and have not yet passed it, you will be allowed one attempt on the Final Exam the very next day the PACe Center is open.
- If the Final Exam is passed, you may retest on any exam (Unit or Final) for that course until 4:00pm on May 10, 2019. You may need to retest to earn enough points to complete the course and/or you may wish to retest to improve your grade.
- If you do not pass the Final Exam, you may reduce the number of courses in which you are enrolled in order to get a new set of due dates and potentially recover lost points. The withdrawal deadline for PACe Courses is Sunday, April 21. Speak with a PACe Director if you have any questions or concerns.

Note: Dates are subject to change, log into the PACe Website and refer to the “My Schedule and Deadlines” link.
