MATH CIRCLES AT COLORADO STATE UNIVERSITY PRESENTS

JUNE 18-22

9:30AM-3:00PM Monday-Thursday, 9:30-12:00 Friday

Department of Mathematics
Weber Building, CSU campus

Target Audience: Students **entering 8th or 9th grade**

Join us for a week of mathematical exploration and discovery led by CSU mathematicians! This year, we will be traveling back and forth in time to investigate the mathematics of both the past and the future. In the process, you will see how the math of the past has influenced the math of the present and where math is headed in the future. Most days will feature two in-depth and interactive sessions, but there will also be a campus-wide scavenger hunt and more! Lunch is provided Monday-Thursday. Parents are invited to attend both the brief welcome event at 9:30 AM Monday along with a slideshow and closing event at 11:30AM on Friday. Math Circles will end at noon on Friday.

Registration: Limited to first 25 girls and 25 boys who register. *A registration fee of $55 is due by JUNE 1st, but if you register by MAY 1st you will receive an early-bird discount.* Snacks, lunches, and a T-shirt are included in this cost. **Algebra I background or higher required**. Need based scholarships are also available. Please visit http://www.math.colostate.edu/mathcircles/MathCircles2018.pdf for registration information. Contact Brady Tyburski (tyburski@math.colostate.edu) if you have questions.

Math Circles 2018 Registration Form

Student Name:_____

Student Gender: M   F   (Circle one)

School Attending Fall 2018:_____

Grade in Fall 2018:_____Title of most recent math class:_____

Dietary restrictions for lunch/snacks:_____

Food Allergies:_____

Adult T-Shirt Size: S   M   L   XL   (Circle one)

Parent/Guardian Name:_____

Parent/Guardian Telephone Number:_____

Parent/Guardian Email Address:_____

Emergency Contact Name:_____

Emergency Contact Telephone Number:_____

Anything else we should know?_____

Note: We typically take pictures of students participating in activities and create a slideshow to share with students and parents at the end of the week. We appreciate being able to share these activities in this way. To do so, we need a photo consent from parents.

If a sibling is also registering, you may fill out one form with information for each child listed in order for each blank.

------Send this form and the photo release form with the $55*** registration fee ***BY JUNE 1st*** to------
