

MATH CIRCLES AT COLORADO STATE UNIVERSITY PRESENTS

STEAM-POWERED

June 17-21

9:30AM-3:00PM Monday-Thursday, 9:30-12:00 Friday

Department of Mathematics
Weber Building, CSU campus

Target Audience: Students entering 8th or 9th grade

Join us for a week of mathematical exploration and discovery led by CSU mathematicians! This year, we will learn how mathematics plays a role in science, technology, engineering, and art. Most days will feature two in-depth and interactive sessions, but there will also be a campus-wide scavenger hunt and more! Lunch is provided Monday-Thursday. Parents are invited to attend both the brief welcome event at 9:30 AM Monday along with a slideshow and closing event at 11:30AM on Friday. Math Circles will end at noon on Friday.

Registration: Limited to first 25 girls and 25 boys who register. *A registration fee of \$55 is due by June 1st, but if you register by MAY 1st you will receive an early-bird discount.* Snacks and lunches are included in this cost. **Algebra I background or higher required.** Need-based scholarships are also available. Please visit <http://www.math.colostate.edu/mathcircles/mathcircles.shtml> for registration information. Contact Emily Heavner (ehavner@colostate.edu) if you have questions.
