

CSU Math 301  
Fall 2018

## Homework 1

Due Friday, August 24 at the beginning of class

This homework is worth 5 points; remaining homeworks will be worth 20 points each.

### Reading.

Sections 1.1 and 1.2.

**Reflection.** *A sentence or two per question is fine, else write more if you choose.*

1. What's your major/concentration/minor? If you're choosing between majors, which ones are you considering?
2. What are some of your academic interests or past classes you've liked?
3. Why are you taking this class? ("It's required for my degree" is an acceptable answer, but feel free to say more.)
4. Where are you from?
5. What are some of your interests and hobbies outside of school?
6. What is your planned next step? That is, what is the next class you plan to take, or job you plan to apply for, or grad program you plan to apply for, or place you want to live, etc?
